

SPEAKING SPOT BENDIGO

SPEAKING SPOT BENDIGO – TELEHEALTH Free online Speech Pathology clinic for children under school age

Speaking Spot Bendigo is a free telehealth clinic providing an opportunity to speak with a Speech Pathologist and Maternal & Child Health Nurse about your child's speech and language. The service is available for children aged birth to school entry.

Come along to a session if you:

- Want some ideas to help support your child's speech and language
- Are not sure if your child's speech and language is age appropriate
- Need a Speech Pathology referral
- Have any general concerns about your child's development

The telehealth clinic opens at 9am on the Speaking Spot dates (see below). You will be able to wait online until a Speech Pathologist and Maternal & Child Health Nurse are available.

Each session will include a brief discussion about your child's development, along with some suggestions to assist your child's communication. A referral to Speech Pathology can be made on the day if this is required.

Instructions for Telehealth:

(**NOTE:** Please use a laptop or computer as telehealth does not work well on a phone)

1. Open a Google Chrome or Microsoft Edge internet window
2. Type the above link in the search bar
3. Log on with your child's name
4. You will then appear in the virtual waiting room - a staff member will add you to the call

Enquiries: Fiona Morrish and Jenny Tobin Universal MCH Co-ordinators
